	of march or April 1947 or those who are eligible for appointment under rule 53 (43) in the Appendix 'C' to the Bombay Civil Services Classification and Recruitment Rules.
19. Are women eligible?	Yes, but preference will be given to men.
20. Are members of any particular community or communities to be preferred? If so, the degree of preference to be given to be stated.	One Backward Class candidate if available.
21. Name and address of the Head of the Deptt. or his representative who will be present at the interview.	The Superintending Engineer, Northern Circle, Bombay.
22. Any other conditions or qualifications not covered by the above qualification/s. question/s	The selected candidates will be appointed only after they have been declared physically fit by a medical Board. The seniority in service of the selected candidates will be determined with due regard to the claims of candidates with approved war service appointed after the war. During the course of services they will have to pass the regional language and Hindustan examinations, prescribed by rules 3 and 4 respectively of the Government Officers' Regional Language Examination. Rules and the Professional Examination as prescribed in Government Resolution, (Public Works Department) No. 630/36, dated the 9th october 1942.

for apptts. to the D.S.S.Cl.I & Cl.II services fails to secure adequate representation to different communities, Govt. may require the F.S.C. to recommend and arrange in order of preference such numbers of candidates as it may direct to be selected having regard to the community to which the candidates belonging or such other conditions as it may direct. It is for orders whether any of the direct apptts. to the D.S.S. Cl.I AII, proposed to be made this yr may be reserved for members of the Intermediate (including Muslims) and for Backward classes. The present Composition ofthe two Services is as below:-

	No. in the D.S.S.Cl.I (including ISE).	No. in the D.S.S.Cl.II (including Old D.S.S.).
Advanced	37	37
Intermediate (including muslims)	3	13
Backward.	-	-
Vacancies.	2	14
	42	64

In view of the above composit it is for orders whether any of the vacancies either in Cl. I or Cl. II may be reserved for either Intermediate or Backward Classes. On receipt of orders, the necy. remarks against item 20 of the requisition forms will be made hereafter.

6. Item 21 of the requisition forms: Last year this Deptt. had nominated Mr. N.P.Gurjar I.S.S. as its representative to be present at the interview.

Guaranteed appts. B.S.E.Cl.I & II, 1947.

E.S.(I). 6775/33.

P.W.D.

The proposals below deal with the question of selection of persons for guaranteed appts. to the B.S.E.Cl.I andthe B.S.E.Cl.II from amongst those who passed the degree of B.E.(Civil) from the college of Engineering Poona, in March/April 1947. The results were published last month.

2. In accordance with the orders issue in G.R.No 6922/33, dated the 23-5-45, two apptts. are to be made to the B.S.E.Cl.I & three to the B.S.E.Cl.II, during the year 1947 within the terms ofthe guarantee. These guaranteed apptts. have to be made in consultation with the P.S.C.

3. The information which has to be furnished to the P.S.C. in this con. is given in the two requisition forms put up within. These will be sent to the commission along with draft xxx on receipt of orders on the following paras in u.o. consultation with the P.W.S.D.

4. Item 15 of requisition forms A and B.
According to Rule 53(5) 53(12) in the Appendix 'C' ofthe recruitment rules, candidates to be selected for dir ect apptts. to the B.S.E.Cl.I, andthe B.S.E. Cl. II must be above 21 & below 23 years of age (27 years in the case of candidates belonging to the Backward and Intermediate Classes) on the 1st August immediately preceding the date of apptt.
The 1st Aug. 1947 has been entered in the requisition form accordingly.

5. Item 20 of the requisition forms Rules 53 (7) and 53 (15) provide that, if the selection of candidates

The present members of the P.S.C. do not possess Engineering qualifications. It is for orders who may be nominated this year as the representative ofthis Deptt.

Mr. Gurjar may be nominated again. Ms

7. None ofthe apptts. made under this guarantee is required to be reserved for persons with appld. war service.

Ms
21/7/47.
Ms
28/7/47.

Margins

2. Para 7(a) at pages 2&3:- There is no special recruitment done forthe P.H.Br. & any of the selected candidates may have to be posted, now or in the future, to that Br. The words "Public Health" should, therefore, be addressed between "buildings" & "and" in line 2 of the para 7 (a).

3. Para 10 at pages 3:- The class I officers will presumably fill in Exe. Engg. ranks. The words "None can be stated," should, therefore, be substituted by "prospects of appointment to Executive Engineers ranks in the department if found fit & in due course according to the rules & regulations which may be inforce from time to time".

4. Para 5 of the Offic. Note. The schedule class population alone (columns 1941) forms about 10% of the provi. ces populations & is nearly equal to that of the resolutions. It therefore seems necessary to recruit at least one Backward class candidate in each class I & II if available.

The P.S.C. may, therefore, berequested to indicate 3 names of Backward Class candidates, if available & suitable, for each class (I&II)

L.H.A. 6/8/47.

and if none of them is considered good enough to be recommended in the list of absolute merit.

5. I do not know whether there is any rule about the no: of names, the P.S.C. will recommend. I suggest that it should be twice the number of vacancies we propose to fill it.

Ml: I/S/ 47.

I agree with Deputy Secretary except paragraphs regarding Mr. Gorjar who will probably not then be presumable, permissable it would be preferable to state merely "the S.I.N.C."

Ml: I/S/47.

No. 6775/36-S(I). Public Works Department,

Bombay Castle, 16th Aug. 1947.

To

The Secretary,
Bombay Public Service Commission.

Subject: Appointments to the Bombay Service of Engineers Class I and Class II.

****

I am directed to inform you that in accordance with the guarantee given to the college of Engineering, Poona (vide Rules 53-A(2) and (5) in appendix C to the Bombay Civil Service Classification and Recruitment Rules and Government Resolution, Public Works Department, No. 6932/36, dated 23rd May 1945), two appointments to the Bombay Service of Engineers Class I and three appointments to the Bombay Service of Engineers Class II are to be made from the students who passed the B.E.(Civil) Examination held in March or April 1947 from that college. Requisitions (marked A and B) giving full details about these five appointments are enclosed.

2. According to rule 4 of the Bombay-Sind Public Service Commission (Functions) Rules, 1937, applications may be invited by the Commission from candidates who consider themselves eligible for the appointments mentioned in paragraph 1 above. The applications shouldbe submitted to the Commission through the Principal, College of Engineering, Poona, who will record on each application his remarks about the applicant's career at the College and success in the final B.E.Examination e.g. the marks, the rank obtained and each other remarks as may be useful in considering the applications. In the case of candidates already serving in the Department, the applications should be

L.H.A. 6/6/36.

forwarded to the Commission through the Principal and the Superior Officer of each applicant, who should make their remarks in the prescribed form accompanying G Govt. Resolution, Political and Services Department, No. 3588/34, dated the 7th August 1934.

3. I am to request that very early steps may please be taken by the Commission in this connection and the selected candidates be recommended to Government in the order of preference for appointment as soon as possible. The recommendations of the Commission should be divided into two categories, viz. (a) in respect of two appointments to be made to the Bombay Service of Engineers Class I and (b) in respect of three appointments to the Bombay Service of Engineers Class II, from the graduates of 1937.

4. I am also to request that at least four names for the two posts in the Bombay Service of Engineers Class I and six names for the three posts in the Bombay Service of Engineers Class II may be recommended to Government in the order of preference for selection. Three names of Backward Class candidates, if available and suitable, should be recommended for each class, if none of them is considered good enough to be recommended in the list of absolute merit.

5. 30 copies of the Notification which will be published in the Bombay Government Gazette and newspapers, inviting applications and giving

information about the appointments to be made, should be furnished to this Department for supply to-

the Chief Engineer, Public Works Department,
the Superintending Engineers of Circles,
the Public Health Engineer to Government,
the Principal, College of Engineering, Poona.

BOMBAY PUBLIC SERVICE COMMISSION.

Bombay Service Of Engineers.

Assistant Engineers in Class I and Deputy Engineers in Class II.

374(1)-I/(1).— Applications are invited from natives of the Provinces of Bombay for two posts of Assistant Engineers (I) in the Bombay Service of Engineers, Class I, ~~Engin~~ and four posts of Deputy Engineers in the Bombay Service of Engineers, Class II. For one post of Assistant Engineer (I) and one post of Deputy Engineer, preference will be given to candidates belonging to the Backward Classes. The posts are permanent and pensionable and subscription to the General Provident Fund is compulsory on confirmation. Persons already in service are eligible provided they possess the requisite qualifications. The selected candidates will be required to join as soon as possible and will be liable to serve at any place in the Province of Bombay. The candidates appointed to the posts of Assistant Engineers (I) will be on probation for two years and and candidates appointed to the posts of Deputy Engineers will be required to serve as "candidates" for one year and, thereafterafter, as Deputy Engineers, on probation for one year more. The selected candidates will be appointed only after they have been declared physically fit by a Medical Board. Their seniority in service will be examined with due regard to the claims of candidates with approved war service appointed hereafter. During the course of service they will have to pass the prescribed Regional language and Hindustani examinations. Age:- Above 21 years of age and below 33 years of age (27 years in the case of member of the Backward and Intermediate Classes, including Muslims) on 1st April 1948.

Qualifications:-(a) Posts of Assistant Engineers (I)- Only candidates who passed in the first class the Bombay University examination for the degree of B.E. (Civil) held in October 1947 from the College of Engineering, Poona, are eligible. Failing such candidates, those who have passed in any year in the first class a degree examination in Civil Engrg. of any recognised university will also be eligible.
(b) Posts of Deputy Engineers- Only candidates who passed the Bombay University examination for the degree of B.E.(Civil) held in October 1947 from the college of Engineering, Poona, are eligible.

Pay:- Assistant Engineer (I):- Rs. 200 for two years and, thereafter, Rs. 235-15-400-20-500 with prospects of appointment to Executive and Administrative ranks in the Department if found fit and in due course according to the rules and regulations which may be in force for the time being. Deputy Engineers:- Rs. 130 as "candidates", Rs. 150 during the period of probation and, thereafter, Rs. 170-10-250-E.B.-255-15-400-E.B.-420-20-500.

Duties: Duties of a Sub-Divisional Officer in charge of roads, buildings, public health and irrigation works and management.

Applicants should supply full details in the printed prescribed form of application, copies of which can be had on requisition accompanied by an addressed large envelope bearing 3½ annas stamps and on payment of one rupee for each form (either in cash or by a crossed Indian Postal order) in favour of the "Secretary, Bombay Public Service Commission". Payment by postage stamps will not be accepted. Separate applications need not be submitted by an applicant who desires to be considered for appointment as Assistant Engineer (I) as well as for appointment as Deputy Engineer, but such an applicant should indicate clearly in his application that he is willing to be considered for appointment as Deputy Engineer also

Applications for the above-mentioned post should reach the Secretary Bombay Public Service Commission, P.W.D. Secretariat, Bombay, not later than the 6th March 1948. Candidates who were students of the College of Engineering, Poona, should submit their applications through the Principal of the College only, in the case of those already in Government service, through the Principal and the superior officer of the applicant concerned. Canvassing in any form will disqualify the candidate concerned.

H.D.WARDEN,

Secretary, Bombay Public Service Commission.

Bombay, 27th January 1948.

LETTER.

No. 374 (1)-I/(I). Dated the 10th Feb. 48.

From

The Secretary,
Bombay Public Service Commission,
P.W.D. Secretariat, Bombay.

To

The Secretary to the Government of Bombay,
Public Works Department, Bombay.

Reference Government letter No. 6775/36-B(I), dated the 20th January 1948. From the letter of the Principal of the College of Engineering, Poona, No. C-29, dated the 25th August 1947 addressed to Government, it will appear that candidates who passed the B.E. degree examination in march 1947 only consisted of droppers and failed students, while ordinarily such droppers passed in October or November in previous years and the March and April batches of those years consisted of good students. If, therefore, the words 'March or April' are replaced by 'November or December' in rules 53(3) and 53-A(4) also in Appendix C of the Bombay Civil Service Classification and Recruitment Rules as proposed by Government, the selection will be confined to those only who having failed in April examination passed out in October 1946 or 1945 which is not the intention of Government. The selection of candidates may, therefore, be confined to those who passed in November or December 1947 and if it is not possible to select the required number of candidates from that batch, the selection will be made from the batches passing in March or April and not of November or December of previouse years.

2. The draft amendments to recruitment rules 53 and 53-A in Appendix C of the Bombay Civil Service Classification and Recruitment Rules are otherwise in order.

3. Thirty copies of this office notification No. 374(1)-I/(1), dated the 27th January 1948 regarding the posts of Assistant Engineers in Class I and Deputy Engineers

in Class II of the Bombay Service of Engineers are forwarded herewith as requested in paragraph 5 of Government letter No. G775/36-3(I), dated the 16th August 1947. 75 copies of the notification with 35 copies of the application forms have been forwarded to the Principal, College of Engineering, Poona, with a request that a copy each may be supplied to the first 15 students who have passed the B.E.(Civil) degree examination from that college in 1947 and to at least 6 candidates belonging to the Backward Classes.

17th March 1948.

From:

Mohanbhai Dahyabhai Patel, Esq.,

Chopato,

Anand.

To,

The Chief Engineer,

Public Works Department,

POONA 1.

Sir,

That respectfully I beg to submit the following case for your kind and sympathetic consideration.

I have passed my Bachelor of Engineering (Civil) examination in October 1947 from the College of Engineering Poona in first class with the first rank in Bombay University. I have subsequently applied through the college authorities to the Secretary, Bombay Public Service Commission for the post of an Assistant Engineer (B.S.C. Class I). The condition for the age limit as mentioned in the rules governing the admission to this post states that the candidate should not have completed 23 years on 1st April 1948. According to this stipulation age unfortunately exceeds this limit by 1 year and 2 months, my birth date being 22nd Feb. 1924.

In this connection I had requested the Secretary B.P.S. Commission, to kindly condone this age-bar my case but was told that the commission had no authority to relax the age limit of the candidates and was advised to approach you in that

my academic career has been throughout very brilliant as will no doubt appear from the copies of certificates and testimonials I have submitted along with my application. I have throughout a

The P. H.E. to Government.

For information with reference to C.E.No. 6775/36-E(I), dated the 16-8-47.

Ids - -
4/3/48.

By order of the Governor of Bomba

My academic career also been recipient of merit scholarships and prizes. After graduation I have joined Charutar Vidya Mandal as Assistant Engineer and am placed in complete charge of the Birla Vishwa-Karma Mahavidyalaya (Engineering College) buildings now under construction. With such qualifications and experience at my credit, the prospect of loosing such a an coveted post through an unfortunate discrepancy in age naturally causes grave disappointment to me. I therefore beg to approach you in this matter for your kind consideration and request you to favour me by condoning my over age.

Thanking you,

I beg to remain

sir,

Your most obedient servant.

(H.D.Patel).

L . H.A.

6775/36/I4952.

S.E.(I). P.W.Dept.

When the course of B.E.(Civil) was of 3 years duration and the final examination took place in March or April, one of the conditions for a guaranteed appointments to the B.S.E.Class I and II was that a candidate must be above 21 and Below 24 years on the 1st day of August immediately preceding the date of his appointment vide rule 53-A in Appendix C to the B.C.S.C. and Recruitment Rules.

In view of the fact that final examinations of B.E. are now held in November, the P.S.C. was requested to forward recommendations for two posts in the B.S.E.Class I and three posts in B.S.E.Class II from the stulents, who passed the B.E. (Civil) Examination in November or December 1947, vide G.L.No. 6775/36-S(I), dated the 20/I/48. In the draft amendment to the rule ~~58(ii)~~ except 53-A of B.C.S.C. & Recruitment Rules, which was forwarded to the P.S.C., that body was requested to substitute the word 'August' by 'April'. In other words the candidates had now to be less than 24 years on 1st April in the present case April 1948.

2. It is informally understood from the office of the P.S.C. that 23 years of age mentioned at 'A' of Notification No. 374(i)-I/(i), dated the 27/I/48, is a misprint. It should be 24 years. The copies of the Notification were, it seems, corrected later on as soon as the mistake was noticed. It was also learnt from the same office that Mr. M.D.Patel, the applicant, has already been interviewed by the P.S.C. for the post of an Asstt. Engr. in the B.S.E. Class I though he is still aged bar. His age on the 1st April 1948 was 24 years 1 month and 7 days.

It seems that the F.S.C. will, if found suitable in other respects, recommend him to Government provided Government condones his age limit, which is exceeded by 1 month and 7 days. In the circumstances, no specific action, for the present, needs be taken on Mr. Patel's letter. The receipt of recommendations from the F.S.C. may be awaited. It is understood from the F.S.C.'s office that they will officially informed Govt. within 2 or 3 days in this connection. The receipt of letter from the F.S.C. may be awaited.

3. In the draft amendment forwarded to the F.S.C. under G.I.No. 6775/36-2(1) dated the 20/1/48, the F.S.C. was requested to recommend candidates from Nov. 1947 batch who were less than 24 years of age on 1st April 1948. It is respectfully pointed out that though the course of the B.E.(Civil) has now been extended by about 8 months, the lower and the upper age limits, according to the proposed draft amendment, are to be retained at 21 and 24 years. The retainment of upper age limit of 24 years does not seem to be fair to candidates as now they have to put in 8 months extra to obtain the B.E.(Civil) degree. In the circumstances it is for consideration whether the question of fixing the upper age limit of candidates at 24 years and 8 months on 1st April immediately preceding the date of their apptt. may now be considered further. If it is decided to fix it at 24 years and 8 month, it will be necessary to re-advertise the posts in question. Further action will be taken up on receipt of orders.

4. In paragraph 1 of their letter at Page 53 ante, the F.S.C. states that, in case required number of candidates are not available for selection from Nov. or Dec. 1947 batch, the selection will be made from

the batches passing in March or April of previous~~x~~ years and not of November or December batches, as the previous candidates from November or December batches were either failures or droppers. As the action proposed to be taked by the F.S.C. seems to be most satisfactory, Govt. may agree to the suggestion.

5. The draft put up may issue, if approved, in the first instance.

Id.
13/4/48.

The P.S.C's recommendation may be awaited. The case of ~~Mr.~~ Mr. Patel will have to be considered in case his name is not to be found in the list of names recommended by the P.S.C.

2/- If the age limit is not extended, graduates who join the engineering course, would stand practically no chance in getting in class I or class II service. I would however say ~~last~~ suggest that in stead of increasing the age limit to 24 years 8 months, the date may be extended to 1st August as originally fixed but the age should not exceed 23 years.

3/- The P.S.C's proposal may be accepted re: selection of candidates for old march/April examination- which was the main examination under the old rules. This would be a temporary measure, as after a few years there would be no students following the old course.

No. 6773/36-I(1).

P.E.Deptt.

B.C., 25th April 48.

To

The Secretary,
Bombay Public Service Commission.

Subject: Apptts. to the B.S.E.Class I and II.

I am directed to refer to your letter No. 374 (1)-I/(I), dated the 10-2-48, and to state that Government agrees to the suggestion in selection being made from candidates from March or April batches of previous years, in case required candidates are not available from Nov. or December, 1947 batch.

D.A.Mil:

Xd:

Dated the 12th April, 1948.

From

R. D. Thipsay, B.E. (Civil),

Senior Surveyor,

Executive Engineer's Office,

G.I.P. Rly. , Lonavala.

To

The Minister of Public Health and Works

Government of Bombay, Secretariat,

Fort, Bombay.

Sir,

I, the undersigned, beg to put the following lines for your kind consideration.

for disposal
Sikh Id: 13/4

I passed the B.E.(Civil) Examination- New cCourse of 3½ years of the University of Bombay in Oct. 1947 with Second Class Honours, stood sixth in rank and won the Naegamwalla Prize in Drawing and Design. I was a student of the College of Engineering, Poona, from June 1944 to October 1947 and am adomicile of the Bombay Province.

I had applied for the Government's guaranteed posts of Deputy Engineers in Bombay Service of Engineers, Class II, advertised by B.P.S.C. in the Bombay Government Gazettee of 29th Jan. 1948 and my application was received in time by the Commission. I had also good chances of being selected for one of the three open posts, as I was ranking third amongst those who applied for these posts. The only reason I see is that I was considered as overage according to the age m limit fixed by the Commission, which was 24 years on 1st April 1948. My birth date is 27-9-23 i.e. I was 24 years, 6 months and 4 days old on 1st April 1948.

From the previous years practice, they were

keeping an age limit of 24 for the Engineering Graduates for these posts who had a three years course in the Engineering College after passing Intermediate Science. I am a student from the first batch of new course of 3½ years and as such had to put one term more than those of previous years.

It is, therefore, natural that the age limit for candidates of this new batch should have been extended by at least six months.

In short the following four reasons stand in great favour for this age limit to be extended:-

(i) That we have undergone a much harder course and have actually spent one term more than previous Engineering Graduates.

(ii) That B.P.S.C. Selection was in April while the candidates have passed in November last i.e. 5 months after the results.

(iii) Almost all Government's permanent posts have an age limit of 25 years, even for non-technical candidates who undergo comparatively very short courses compared to technically qualified candidates, viz. Medical and Engineering Graduates.

(iv) In my personal case, I joined the Engineering course after filling two terms for B.Sc. and passed in Subsidiary Examination with 1st eligibility, in April 1944.

It would, therefore, be a great hamper for students like me, and others following, if the age limits are not extended accordingly, and will be an injustice if their applications are not considered for this reason.

I request you, therefore, to look into matter and kindly consider my case favourably for which I will be highly obliged.

I beg to remain,
Sir,
Your most obedient servant,
(R.D.THE PARAY)

I am,
Sir,

Yours Faithfully,

(N.D.Thipsay).

6775/36/2463.

S.B.(I). P.N.Pandit.

Submitted together with S No. I9450.

2. Government has since decided to increase the upper age limit to 25 years on the Ist day of August immediately following the examination instead of 24 years, in the case of candidates to be appointed to the B.S.S. Class I and II under Guaranteed appointment.

3. The F.S.C. has since recommended only one candidate, viz. Mr. M.K. Patel, for an appt. to the B.S.S Class I and six candidates for the B.S.S. Class II (Papers on the subject are under u.o.r. to the H.D. (Special)).

The recommendations are made by the F.S.C. on the basis of instructions issued in C.L. N o. 6775/36-S(I)., dated the 20/I/I948. In the draft amendment forwarded with this C.L., the upper age limit prescribed was 24 years on the Ist April I948. As it has now been decided to increase the upper age limit to 25 years on the Ist August I948, many candidates, who were aged bar previously, will now be eligible for appointment and their claims will have to be considered vis-avis with those candidates who have already been recommended.

In the circumstances it will be necessary to re-advertise, at least, the posts of B.S.S.Class II (For appt. to the B.S.S.Class I please see para. below). The draft put up may issue, if approved.

4. It does not seem necy. to advertise the posts of B.S.S.Class I as it is not likely that there will be any more candidates who have passed

in the Ist Class thus becoming eligible for quarantead appts. Inquiries may, therefore, be made from the Principal, College of Engineering, Poona, in the first instance, as to how many candidates have passed in the Ist class in Nov. 1947 batch. If there are any more candidates, who are less than 25 years, the F.S.C. will be asked to call them for interview and consider their claims for appts. to the S.C.S. Class I viz-a-viz with that of Mr. Pabal, who has already been recommended. The necessary addn. in has been added to the draft proposed in para. 3 above.

5. Serial Nos. 1949 and 2260. After extending the upper age limit to 25 years on the Ist Aug. 1948, Mr. P.D.Thipsay, the applicant, will be within the age limit, as he will be about 24 years and 9 months on that date. The draft put up may issue, if approved.

6. The question of issuing the necy. correction slip to the S.C.S.C. S.R. No. will be taken up hereafter.

Secretary,

Bombay Public Service Commission.

CONFIDENTIAL. LETTER.

No.374(1)-I/(I) Dated the 16th April 1948.

From,

The Secretary, Bombay Public Service Commission,
P.W.D. Secretariat, Bombay.

To,

The Secretary to the Government of Bombay,
Public Works Department.

Reference correspondence resting with Government letter No.6772/33-C(I), dated the 20th January 1948, regarding the guaranteed appointments to the Bombay Service of Engineers, Classes I and II.

2/- Assistant Engineers in the Bombay Service of Engineers, Class I - 2 vacancies.

Three applications were received for the two guaranteed appointments of Assistant Engineers in the Bombay Service of Engineers, Class I and only one of them viz., Mr. M.D. Patel had passed the B.E.(Civil) examination in first class in October 1947. The other two candidates who had passed the B.E. degree examination in 1942 and 1943, were overage by three and two years respectively and were, therefore, ineligible for appointment. The Commission recommend Mr. Patel for appointment to the post of Assistant Engineer in the Bombay Service of Engineers, Class I.

As the Commission have been unable to select a candidate for the second vacancy from the students who passed in the 1st class in the October 1947 examination, selection has now to be made in the following order of preference from the students who have passed in the first class (vide sub-rule(8) of rule 83 in Appendix C to the Bombay Civil Service Classification and Recruitment Rules).

(1) In the immediately preceding two years the Bombay University examination for the degree of B.E.(Civil) held in the month of March or April from the College of Engineering, Poona, or

(2) in any year the Bombay University examination for the degree of B.E.(Civil) held in the month of March or April from the Engineering College, Poona, or N.E.D. Civil Engineering College, Karachi, or

(3) in any year a degree examination in Civil Engineering of any other recognised university.

Further action is being taken separately by the Commission in consultation with the Principal, College of Engineering, Poona.

3. Deputy Engineers in the Bombay Service of Engineers, Class II.- 4 vacancies.

The Commission recommend the following candidates in order of preference for the guaranteed appointments to the posts of Deputy Engineers in the Bombay Service of Engineers, Class II:-

(1) Mr. S.P.Bhat.
(2) " V.D.Kulkarni.
(3) " V.S.Mokashi.
(4) " D.V.Noronkar.
(5) " I.K.Modi.
(6) " S.G.Athavale.
(7) " B.D.Deshmukh.

4. Mr. M.L. Champhekar, I.S.E., Superintending Engineer, Bombay Circle, was present at the time all the candidates except Mr. I.K.Modi, were interviewed by the Commission, and Mr. H.V.S.Murti, I.S.E., Superintending Engineer on Special Duty, was present when Mr. Modi was interviewed by the Commission at a later date.

5. Statements of particulars regarding the eight candidates are enclosed.

Sd

Secretary.

Accompaniments: 8 Statements of particulars.

Public Works Department.

The main papers are under u.c.r. to the P.& S.D. since the 16-4-46. Their return may be awaited. Meanwhile these papers may be refd. u.p. to the H.D.(special) with a request to state whether any of these candidates has come to adverse notice of Government.

Id:
22/4/46.

Why in the case of Sr. No. 2and 5-7 when they are already Bombay Government Servants?.

D.A.D
2/I/46.

H.D.(I). P.H.Dandt.

Resubmitted.

2. As stated by the S.A.Secretary, it is not necy. in the case of persons already in Government Service, to get it confirmed from the H.D. whether they have come to adverse notice of Government or not. To be on the safe side, it will, however, be better if the H.D. certifies in the case of these persons also, especially in view of the fact that the local officers might have employed them without going deep into their political activities, as they are temporary and also due to the shortage of technical persons. Further it may also be stated that it will be very difficult for local officers to find out the political activities of these candidates in view of unsettled conditions prevailing all over.

3. In the circumstances, the H.D.(Special) may, if approved, be requested to state whether all the candidates, including those in Government service, have come to adverse notice of Government.

Id: 22/4/46. All right refer to H.D.(SPL.) Id: D.N.D. 22/4/46.

Confidential.

u.o.c. to the H.D.(Special) dated the 23rd April 1948.

H.D.(Special)(I).

These papers may be returned to the P.S.B. with an intimation that none of the candidates in question has come to notice in S.B.(I).

LETTER.

No. 374(i)-I/(I). Dated the 21st June 1948.

From

The Secretary,

Bombay Public Service Commission,

P.W.D.Secretariat, Bombay.

To

The Secretary to the Government of Bombay,

P.W.D. Secretariat, Bombay.

Reference correspondence resting with Government letter No. 6775/36-E(I), dated the 19th May 1948, regarding recruitment to the Bombay Service of Engineers Class I and Class II. The Commission consider that it would be very irregular to give effect to an amendment in a recruitment rule with retrospective effect. The amended rule does not appear to have been published by Government yet and notified to the candidates. The action proposed is more objectionable as, in the present case, selections have already been made on the basis of the existing rule and the raising of the age-limit to 25 years now is bound to affect adversely those who have already been selected. The Commission, therefore, consider that it would be wrong in principle to make fresh selections at this stage. Such an action would call into question the good faith of Government as well as the Commission. The Commission, therefore, suggest that Government should make the appointments according to the Commission's recommendations in their letter No. 374(i)-I/(I), dated the 15th April 1948, and publish the revised rule to be followed hereafter.

CHARUTAR VIDYA MANDAL
VALLABH VIDYA NAGAR
P.O.ANAND.
25th June 1948.

Dear Dr. Gilder,

Mr. M.D.Patel, B.E., has secured first place in first class in Bombay University, Civil Engineering Examination this year. He is, at present working in this institute since return after the examination and is gaining invaluable experience as he is in charge of the construction of Birla Engineering College and workshop etc.

Every year the Ist student of the University is taken up in class I service, and he would have been taken up in that post in usual course, but as I learn his age is 24 while Government select boys upto the age of 23.

In this connection I would like to bring to your kind notice the fact that central Government admit boys upto the age of 25 in central P.W.D., and Railways, so I request you to make a special case in case of Mr. M.D.Patel, as the boy is very promising and it is in the interest of Public Service that we should have such boys as our future administrators.

Government are short of hands at present and I hope Mr. Patel would be a very valuable aquisition to the Department. He has very high qualities of both head and heart.

With regards,

Yours sincerely,

Note on the overleaf pl. Id:

Bombay Castle, 30th June 1948.

From

The Assistant Secretary
to the Government of Bombay,
Public Works Department.

To

B.L. Patel, Esquire,
Charutar Vidya Mandal,
Vallabh Vidya Nagar,
P.O.Anand.

Dear Sir,

I am directed by the Honourable Minister for Public Works, Bombay, to acknowledge the receipt of your letter, dated the 25th instant, regarding Mr. M.D. Patel, B.E., and to state that it is receiving attention.

Yours Faithfully,

D.N.D.
30/6/48.

Senior Assistant Secretary to the Governme
of Bombay, Public Works Department.

L.M.A.

GTA/31/34153.

P.W.D.

E.E.(I).

Submitted together with Serial No. 3280I.

2. Serial No. 3280I. In the draft amendment forwarded to the P.S.C. under G.L. No. 6775/36-E(I), dated the 20-X-43, the P.S.C. was requested to recommend candidates who were less than 24 years of age on 1st April 1943 from Nov. 1942 for guaranteed appointments to the B.S.E. Classes I and II. Later on, it was decided by Govt. to increase the age limit to 25 years on 1st August 1943 in view of the fact that the New Course of the B.E.(Civil) is now of 3 years and 8 months duration instead of 3 years of the old Course. The P.S.C. was, therefore, requested to re-advertise the posts of B.S.E. Class II and to re-commend a fresh list of candidates, vide G.L. No. 6775/36-E(I), dated the 18th May 1943. The P.S.C. states that it is not desirable to re-advertise the posts, as selections have already been made on the basis of the existing rule, and that the raising of the age-limit to 25 years now is bound to affect adversely those who have already been selected. The P.S.C. further adds that it would be wrong in principle to make fresh selections at this stage and that such an action would call into question the good faith of Government as well as the Commission. The arguments brought forward by the Commission are strong ones, yet it must be remembered that, if the Dy. Engrs. posts are not re-advertised, candidates who might have got in the B.S.E. Class II would be left out for no fault of theirs. It seems that this should be prevented, even at the cost of, so to say, (owering the Govt. prestige in re-advertising the posts. Before this done, the principal, College of Engineering, Poona, may, however, be requested to send a list of the first 25 candidates, with their ages, who have

who have passed the D.S.(Civil) in Nov. 1947 in order to find out as to who exactly will be left out if the posts are not re-advertised. If there are a few candidates, the P.S.C. can be asked to call them for interview and consider their claims vis-a-vis those candidates, who have already been recommended. If approved, the draft put up may issue, if approved.

3. Serial No. 34 ante. Please see H.H. P.W.D.'s note at page 105 ante. From the above it will be noticed that Govt. has already decided to raise the upper age limit to 25 years in the case of guaranteed appointed to the D.S.E.Classes I and II and as such Mr. H.D.Patel is eligible for appt. It may also be stated that Mr. Patel has already been recommended by the P.S.C. for a guarantee appt. to the D.S.E.Class I. He has, however, not been appointed yet, as the selection of the 2nd person to the D.S.E.Class I and candidates to D.S.E.Class II is still under the consideration. The d.o. letter of Mr. D.D.Patel has already been acknowledged as directed. He may further be informed that Govt. has since relaxed the age limit for guaranteed appts. refd. to above and that the question of appts. of suitable candidates is under consideration. A

M.S.
2/7/48.

The P.S.C. seem to have acquired in the new age-rule so far as the class I is concerned as Mr. H.D.Patel becomes within age[1] on account of the new rule. They Secretary however do not seem to agree to re-advertising class II posts. I think if we get the information called for from the Principal, the P.S.C. can be requested to see if the names of the men who are eligible according to the new rule can be considered.

'A' may be dtd. later when selections are finally approved. A.S.I.

Bombay.

Sir,

Your No. 6775/36-XII-E(I) of the 7th July, 48.

I enclose herewith a statement giving the detailed information regarding the students passed at the B.E.Civil examination in October, 1947, as desired in Government endorsement No. 6775/36(E)-I of the 18th May, 1948.

Your Obedient Servant,

Sd

B.B.SARKAR.
Principal.

6775/36/37683.

S.B.(I).

P.W.D.

Submitted with ref. to G.L.No. 6775/36-III*2(I), dated the 7-7-48.

2. The Principal, College of Engineering Poona, has forwarded a list of the candidates that passed out of the College in October 1947. The Commission have taken into account those candidates who were less than 24 years of age on the 1-4-48 i.e. those born after 1-4-24. According to the proposal made by Govt. persons who were less than 25 years of age on the 1-6-48 i.e. those born after 1-6-23, should be ligible. The question at issue is therefore regarding those candidates who were born between the 1-6-23 and the 1-4-24 and who have been left out of consideration by the P.S.C. It will be seen from the list forwarded by the Principal that the following candidates fall within the above age-limits.

S.No.4 Patel M.B.
S.No.5 Lokur V.N.
S.No.6 Thipsay R.D.

The Commission, however, have already considered and recommended Mr. M.D.Patel though he was not within the age limit admitted by them It is, therefore, difficult to see why they should be reluctant to apply the same principle to the other two. Their argument that it would be unfair to the candidates already selected does not seem to be reasonable. It would be equally unfair to the other candidates if they are left out merely because the age-limit was not correspondingly extended. It is not unusual to take age-limit into account, if this case there are obvious reasons to do so. Even the Commission many a time recommends relaxation of age-limit to Government.

3. In the above circumstance, the P.S.C. may be requested to consider the cases of M/S.V.N.Lokur and R.D.Thipsay and, if they are found suitable, to indicate their rank vis-a-vis the candidates already recommended.

The draft put up may issue, if appd. after u.o.r.to the P.& S.D.

2. I am directed to state that Government has carefully considered the views of the P.S.C. in the matter, but regrets that it cannot see its way to agree that it would be wrong if the claims of persons who are eligible according to the amended recruitment rule are now considered by the Commission. It is noticed that these candidates had secured ranks much higher than those of some of the candidates recommended by the Commission. These persons would be ordinarily eligible for appointment had not the course been extended by 8 months and should not therefore be made to suffer merely because the prescribed age-limit remained to be amended, as it should have been done, before the posts were advertised. Government therefore, feels that it would not be fair to these persons if they are thus deprived, for no fault of theirs of a chance of being appointed to the posts in question. The age-limit has been raised for very just reasons and no injustice can be said to have been done to those who have already been "Selected" if preference is given to persons who have secured a much higher rank than theirs in the B.E. examination. Moreover, Government can and does does relax the age-limit in suitable cases and in this xx case there are very good reasons to do so. The Commission had apparently no objection to consider the case

of Mr. C.D. Patel who is similarly placed and whom they have already recommended, and there seems to be no reason why the same consideration should not be extended to the other candidates concerned.

3. I am accordingly to request that the Commission may kindly be moved to grant an interview to the candidates who would be eligible according to the amended recruitment rule and the Commission's recommendations communicated to Government at an early date. If any of the candidates is found suitable his rank ~~vis-a-vis~~ the candidates already recommended by may also please be indicated.

4. A list of successful candidates at the B.E.(Civil) Examination (New Course), held in October 1947, is enclosed for reference.

Yours
faithfully,

L.L.A. (J) 9/9/48.

Bombay Public Service Commission,

P.W.D. Secretariat,

Bombay, ~~x~~ 21st Sept. 48.

From

The Secretary,

Bombay Public Service Commission.

To

The Secretary to the Government of Bombay,

Public Works Department, Bombay.

Sir,

With reference to the correspondance resting with Government letter No. 6775/36-XII-E(I), dated the 23rd August 1948, I am directed to state that in view of the explanation furnished by Government the Commission agree to the Government proposal to raise the upper age limit to 25 years. Fresh applications are being invited from the candidates for guaranteed posts in the Bombay Service of Engineers, Class II and the recommendations of the Commission will be communicated to Government in due course.

Yours faithfully,

Guaranteed appointment

Bombay Service of Engineers

Class I (1947).

Appointment of Mr. M.D.Patel, B.E. to the -

Government of Bombay,

Public Works Department.

Resolution No. 6775/36-XII.

Bombay Castle, 18th October 1948.

Read Government Letters No. 6775/36-S(I), dated the 16th August 1948, 20th January 1948 and 11th May 1948 to the Secretary, Bombay Public Service Commission.

Read letter No. 374 (i)-I(I), dated the 13th April 1948, from the Secretary, Bombay Public Service Commission.

Resolution:- Under rule 53 (A) in the Appendix C to the Recruitment Rules of the Bombay Service of Engineers (Class I and Class II) Government is pleased to appoint Mr. M.D. Patel, B.E., (Provided he passes the necessary medical examination of physical fitness) as an Assistant Engineer (I) on probation on the Bombay Service of Engineers Class I.

2/- Mr. Patel will have to undergo practical training for a period of two years from the date of joining this appointment, as laid down in Government Resolution No. 6525, dated the 29th June 1925. He is posted to the North Gujarat Circle for the first year of his training for employment on roads and buildings works in progress in the circle, and to the South Gujarat Circle for the second year of his training for employment on canal construction and irrigation. The superintending

Engineers, North Gujarat Circle and South Gujarat Circle

should arrange that Mr. Patel should be given every facility for acquiring practical knowledge throughout the period of his training.

3. Mr. Patel while on probation as Assistant engineer (I) will draw pay at the rate of Rs.250 per mensem with effect from the date he actually joins his duties under the Superintending Engineer, North Gujarat Circle and will also be eligible for travelling allowance at the rates admissible to Class I probationers.

4. The Superintending Engineers, North Gujarat Circle and South Gujarat Circle should submit a report to Government at the end of the training period in their respective circles about the progress made by Mr. Patel under them in practical training and as regards his general fitness for appointment to the Bombay Service of Engineers Class I. The question of confirmation of Mr. Patel in the Bombay Service of Engineers Class I will depend upon the last report submitted by his superior officers as regards his work during the period of probation.

5. In the case of unfavourable reports, Government will issue such orders as may be considered necessary on the merits of the case.

By order of the Governor of Bombay,

Sd.

(A. G. Kapse),

Deputy Secretary to Government.

To

The Political and Services Department.

The Finance Department.

The Education and Industries Department.

The Superintending Engineers of Circles (with copies of Government Resolution, Public Works Department No. 6525, dated the 29th June 1925, Government Memorandum, Public Works Department No. 6525-E, dated the 13th April 1926 and Government Resolution Public Works Department No. 6525, dated the 1st February 1932, to the Superintending Engineers, North Gujarat Circle, South Gujarat Circle and Special Investigation Circle).

Bombay 8th December '48.

To

The Assistant Secretary To The
Government Of Bombay, P.W.D.
Bombay, Castle.

Subject:- Guaranteed appointmentsto the Bombay Service of Engineers Class II-1947.

With reference to your letter No. 6775/36-XII-E(I), dated the 27th November 1948 the particulars regarding the two candidates were verified and report is herewith submitted.

Mr. D.V.Moraskar, a Maratha by caste, hails from Mapsa, Goa; and is twenty four years of age. He was a student of the 'High School of Sacred Heart of Jesus', Para in Goa where he passed his matriculation in 1942. Then he passed his Inter-Science from Lingroj College Belgaum in 1944, and thereafter he joined Engineering College, Poona, and was graduated in October 1947.

It is learnt that while he was a student he did not take part in any political or subversive activities.

There is nothing against him on the records of this office.

Mr. I.K.Modi, a Jain by Caste hails from Kaira (District) Proper and his date of birth is 11-5-26. He was a student of Elphistone High School, Bombay and passed his Matriculation in 1942. In 1944 he passed his Inter Science from Gujrat College, Ahmdabad. Thereafter he joined Engineering College Poona and was graduated in Oct. 1947.

He is not known to have been connected with any political or subversive activities.

His father is a retired Asstt. Engineer, P.W.D. Bombay Province.

There is nothing on record in this office against him.

T E S T I M O N I A L

I know Mr. P.S.Kolwalkar for last four years, as a student of this college. He took his degree in B.E. Civil in April 1948.

Throughout his stay in this college he has been a first class student, very keen to learn the fundamentals and sparing no pains in his work both in the classroom and the laboratories.

Although my personal contant with Mr. Kolwalkar was very short during the final year class, in the subject of Hydraulics, he struck to me as one of the few, possessing the necessary initiative and patience for the engineering profession.

Although Mr. Kolwalkar was unable to secure a first class in the final year examination , I can say with confidence that he fully deserved it. His failure to secure the First Class was only due to his persistent illness during whole of his final year.

I wish him a bright and prosperous future.

TRUE COPY COLLEGE OF ENGINEERING.

T E S T I M O N I A L.

I know Mr. P.S.Kolwarkar, for last several years. He had a brilliant academic career and passed all his school and Higher Examinations in First Class Honours.

He was however unable to appear for the B.E. Part II Examination held in October 1948,, because of his eleventh hour illness. Owing to the prolonged illness he also could not score a higher percentage in the Examination held in April 1948. I feel confident that but for his illness he would have definitely scored a First Class in his final Exam.

Despite his unfavourable financial circumstances Mr. Kolwalkar had put sincere efforts in his struggle to achieve his high ambition and I feel that his carrer should not get trodden by the mere blot of his illness, a factor completely beyond his control.

He is a young man of capacity and ambition, and I sincerely wish that he gets opportunity to show his merits. I wish him a prosperous future. To the best of my knowledge he bears a good moral character.

TESTIMONIAL.

Mr. P.S.Kolwalkar studied under me as a student of Civil Engineering from June 1944 to April L946 To the best of my knowledge he bears a good moral character.

He had a excellent academic recordamd passed both the F.E. and S.E. examination conducted by the university in First Class. He was however unable to complete his course in October 1947 due to his sever illness. He appeared for the April examination for his degree but on account of his prolonged ill-health, was unable to give of his best; Nevertheless he obtained 60% marks.

I have been much impressed by the keenness with which Mr. Kolwalkar, approached any problem assigned to him and by his desire to make most of the opportunities available. I am confident that he will rise very rapidly in his profession.

Mr. Kolwalkar is submitting his case to Government for being considered for one of the Guaranteed posts in the Bombay Service of Engineers, for which the Graduates at the October 1947 examination are being considered. Mr.Kolwalkar, due to circumstances beyond his control had to appear at the April 1948 examination. Nevertheless considering the fact, that he has had such a fine record at his credit, I strongly recommend that his case should be favourably considered.

I wish Mr. Kolwalkar very success in all his future enterprises.

FERGUSSON COLLEGE POONA 4.

D/- 11th November 1948.

This is to certify that Mr. P.S.Kolwalkar joined the F.Y.Science Class of this college in June 1942 after passing his Matriculation Examination in first class and scoring 68% marks in the same. On the basis of this record he was awarded a full-free studentship of the College for to enable him to prosecute his studies in his adverse monetary circumstances.

Mr. Kolwalkar secured a high percentage of marks in the first terminal examination held in Oct. 1942 of the F.Y.Science and was given a College Scholarship and from them onwards he was a regular College Scholarship Holder for all the two years of his career in our College as he kept up his progress in all the succeeding examinations.

Mr. Kolwalkar stood second in the first class in the Annual Examination of the F.Y.Science held in March 1943, scoring 78% marks in the same. Further he stood first in the first class in the terminal examination of I.Sc. held in Oct. 43.

Mr. Kolwalkar was also awarded the Sardar Vinchoorkar Endowment Scholarship which was reserved for the most deserving student in the Inter Science Class in the year 1943, Mr. P.S. Kolwalkar passed his Inter Science University examination in first class in the year 1944 and scored 64% marks in the same.

Mr. Kolwalkar was also a member of U.T.C. During the second year [illegible] 1942-43. He was relieved from U.T.C. during the second year on the grounds that he had to accept part time [illegible]

owing to adverse financial conditions.

After passing his I.S.c. examination, Mr. Kolwalkar left this college for prosecuting his studies in the Engineering College and he had been recommended to the Government for awarding him Special Government Scholarship to enable him to prosecuting his studies to the end, and the Govt. did award him this Scholarship, for all the three and half years duration of his Engineering studies. To the best of my knowledge Mr. P.S.KOLWALKAR bears a good moral character.

RECORD OF SCHOOL CAREER
AND OTHER ACTIVITIES.

I possess the originals in the form of printed prescribed forms giving the detail marks in each subject at the Annual Examination held by M.E.S. High School Decan Gymkhana Poona 4 and signed by the Superintendent.

I summerise the results as follows:-

Standard:	Year of passing:	Total marks	Marks Obtained	Percentage
III	1938	525	371	70%
IV	1939	750	635	84%
V	1940	750	540	72.0%
VI	1941	850	661	77.5%
Matriculation Examination.	1942	700	476	68.0%

Distinction in Mathematics and Physics Chemistry.

I was also a Secretary of the Saturday meeting club of the School and for carrying out the meetings satisfactorily and collecting maximum information in the form of General knowledge for the club, I was awarded a prize by the school.

I was also awarded a prize by the school for my Hand-Writing which was considered to be the best in my School.

I was also awarded a prize by the ~~school~~ ~~farxmy~~ president, N.C.Kelkar, Esqr. at the Dwitiya Sanskrit Sahitya Sammelan for having played the best part in the Sanskrit Dramma on that occassion.

I had completed in my own handwriting and with my own sketches and paintings a School Magazine named

'Dhyeya' which was much appreciated by my school Authorities and outsiders.

I was very fond of taking part in the dialogues and dramas at the School Gatherings and Other functions.

I possess certificates in support of my above details

My Hobies and Other Activities in Gen eral

1) Philately (Stamp collecting)

2) Photography

I possess Albums of both these items.

3) Music and Harmonium on which I can play as an accompaniment.

4) Gardening.

5) Essay and Shortestory writing.

I have published these in varicus magazines and I possess cuttings thereof, and prizes awarded in their connection.

6) Shooting.

7) I am very good at Hand-writing, drawing, painting and sketch drawing: I possess the specimen of all these.

TESTIMONIAL

Mr. Kolwalkar, studied under me as a student of Civil Engineering from June 1945 to October 1947 and I found him to be a hardworking, diligent and conscientious student, possessing good moral character.

He passed his F.E.Examination in First Class and S.E.Examination in First Class, topping the list in the college. He obtained a high second class Honours with 60% marks in the B.E.Examination for which he appeared in April 1948.

Mr. Kolwalkar was particularly good at drawing and draftmanship. He took deep interest in my subjects and I was very much impressed by his inquisitiveness and keeness to learn and by his desire for high ambition.

Mr. Kolwalkar was very much unfortunate to mis his october 1947 examination due to his service illness. Due to his persistent illhealth he also could not secure a First Class in the April 1948 examination. I can confidently say that Mr. Kolwalkar would have definitely come in flying colours in his regular examination if his health would have remained normal.

After gaining necessary experience I am confident that Mr. Kolwalkar will turn out to be a successful Engineer and will rapidly shine in his profession.

I wish him every success in his future career.

TESTIMONIALS.

Mr. P.S.Kolwalkar studied under me as a student of Geology from June 1946 to April 1947. During the above short period of my personal contact with him, he struck to me as a hardworking and brillient student possessing the desire and keenness to analyse the subject deeply. He was equally good at the class and the laboratory and had the honour of topping the class whenever a test examination in the subject was held. He scored 76% marks in my subject in the B.E. Part I examination held by the university in April 1947.

Unfortunately, Mr. Kolwalkar could not appear for his B.E.Part II examination in october 1947, owing to his illness. He was also unable to secure a first class in the April 1948 examination as his illness prevailed for a long time. I can confidently say that he could have definitely secured a first class if his ill-health was not to hinder his progress.

Mr. kolwalkar is a person of capacity and ambition and he will definitely rise in any field of Engineering if an opportunity is given to him to show his merits.

I wish him a prosperous future career.

Date 13th Nov.'48.

This is to certify that Mr. P.S.Kolwalkar, was suffering from attacks of malignant Malaria since the month of August 1947, and could not attend the college regularly. He was under my treatment since then.

Afterwards at the time of examination he developed severe Jaundice and was confined to bed. He was to appear for his B.E.Examination in October 1947 but he was strongly advised not to do so at the cost of his deteriorated health at that moment.

Mr. Kolwalkar afterwards kept on suffering from he malaria attacks every now and then. Later on, in the month of January 1948 he had a severe attack of fental Sinusitis which required an operation from an E.N.T. Specialist at the Sasoon Hospital.

Due to prolonged illness his general health was much impaired and to avoid further complication he was advised to take complete rest.

UNIVERSITY REGISTRAR.

No. P.S.K./123 of 1948.
Office of the Public Health
Engineer to Govt.
Poona 1, 14th November 1948.

To

The Secretary to Government,
Public Works Department,
B O M B A Y.

Subject: Appointment to one of the Guaranteed posts in Bombay Service of Engineers.

Respected Sir,

I, the undersigned, most humbly and respectfully beg to put forward before, you the following few lines for your sympathetic and favourable consideration.

I passed my final examination in Civil Engineering (B.E.NEW COURSE), in June 48 and I secured High Second Class Honours with 60% marks in the same.

I joined the college of Engineering Poona in June 44 & passed my F.E.Examination in first class Honours in year 45 and S.E.Civil Examination in first class honours in the year 46 and stood first in the University.

I have passed my matriculation examination in first class with 68% marks in the year 1942. I also passed my F.Y.Science examination and Inter science examination in first class in the year 1943, and 1944 respectively, and scored 78% and 64% marks respectively in those examinations. I am enclosing herewith the certificates in support of my above details.

I was also a Special Govt. Scholar-

CONT.

Gil. Holder for all the three and half years at the Engineering College.

I was also awarded Senior Studentship of the Engineering college during the year 1946-47.

It will thus be seen from above that I had throughout a first class career and that I had passed all my examinations in succession.

In succession to above, I also appeared for, and passed my regulare B.E. Civil part I examination in June 194 . I was to appear for the B.E. CIVIL PART II examination in oct. 1947, and that the result of part I & II examinations were to be combined and declared as one result (as per new rules of the new course). To this effect I had applied to the Bombay University to allow me to appear for the examination and I had paid my examination application fee of Rs. 60/- to the university.

All my college professors and authorities were expecting me to stand high and even top the list in the college and I had my own confidence too.

Unfortunately however, I happened to fall sick at the eleventh hour. I suffered from repeated attacks of Malaria followed by a severe attack of Jaundice, and I was forced to abandon my effort to appear for the part II examination in october because of a stern warning from the physicians to that effect. My college authorities forwarded my application with the medical cetificate to the Bombay university requesting it to refund my examination fee and the university did refund, as per rules, my half the examination fees.

My illness afterwards continued and it took a long time for me to recover from my illness. Afterwards I had also to undergo an operation of chiselling out the expanded bones in my nostrills, which again kept me in bed for a long time. Doctor had advised me to take complete rest to avoid further complications and in order that my troubles should not get aggrevated. I, therefore, could not concentrate properly and study regularly for the examination that was to be held in March 48. I appeared for the March 48 examination in a most disappointed and helpless state and more so because of my financial conditions and naturally, I could not score a percentage higher than 60%. I feel confident that I could have scored definitely much better if my health would have remained normal. The above facts may be verfied by reference to any of the college Authorities.

I have come to understandthat the public service commission, Bombay has already interviewed some of the candidates that belonged to my above mentioned october 1947 batch (ist batch of the new course) for the posts, which have been reserved by Govt. as guaranteed posts for the deserving candidates graduating from the College of Engineering, Poona. All the above mentioned candidates are my classmates and colleagues. I find that amongst the candidates interviewed, are students who have an ordinary second class career and who have scored in the october 1947 examination as low as 55%. I also understand that the Public Service commission is reconsidering the cases of the above candidates.

In comparison to the above mentioned candidates, and taking into view my first class

Academic Career, I feel, that my claim should also be considered by the Government, because my illness was an act of God and a mishap completely beyond my control. I, therefore, request the government to give full justice and due credit to my sincere efforts in my struglle during the educational career.

At present, I have the pleasure of working directly under S.E. Wadia, Esqr., B.E. A.M.I.E.,M.R.San.I., Public Health Engineer to government of Bombay I am entrusted with the work of Technical Scrutiny of the water supply and Drainage projects, a work which I find to be veyy much interesting. I was employed on the abov· post on 1st june 1948, fifteen days before my result was declared.

I, therefore, request the government to kindly consider my case and give a just, fair and equitable consideration to me in selecting me to one of the guaranteed posts in Bombay Service of Engineers.

Thanking you in anticipation of an early and favourable reply,

D.A.As per list below.

College of Engineering,

Poona, 5 18th Nov., 1948.

Certified that mr. prabhakar shantaram kolwalkar joined the F.E. CLASS in June 44 and was a student of this college from then to october '47 (new course). During the above period as shown in the records of the college his conduct was good. His date of birth as recorded in the college register is 12-2-26 (Twelveth February nineteen hundred and twentysix).

Mr. kolwalkar passed the F.E.Examination in I class and S.E.Examination also in the I class topping the list of successful candidates from this college. He obtained High II class at the B.E.CIVIL examination and stood first amongst the candidates appearing that year.

He was eligible for five of the college scholarships available for the second years students in civil engineering and was awarded two of the scholarships, as all the scholarships could not be awarded to a single student. He was offered the senior studentship of the college for the year 1946 -47. Mr. kolwalkar was pe a holder of a special government scholarship of Rs. 30/- per month for all the 3½ years of his college career. Had it not been for his illness during the final year, his results at the B.E.CIVIL Examination would have been decidedly better. Mr. kolwalkar war particularly good at drawing and draghtsmanship and his term work records were maintained with neatness and meticulous care. Mr. kolwalkar identified himself fully with the corporate life of the college and took active part in most

of the ~~hi~~ games and activities of the college Gymkhana.

Mr. kolwalkar has ~~manes~~demonstrated his outstanding abilities as a student of Civil Engineering and has shown his capacity for hard and sustained effort. He is a most likeable person, pleasant and helpful.

After some experience, Mr. Kolwalkar should shape very well indeed as a civil engineer. I wish him every success in his future career.

PRINCIPAL.

L.M.A. 13/6

Below application No. P.S.K./123, dated 14th Nov. 1948 from Mr. P.S.Kolwalkar, regarding: appointment to one of the Guaranteed posts in Bombay service of engineers.

No. 10124 of 1948.

Poona 1, 15th Nov. 1948.

Passed on with compliments to the secretary to Govt. Public works department, bombay.

The application of mr. p.s.kolwalkar contains a statement of facts and as I could see from it, the incumbent had a brillient academic career throughout but only could not pass out in the specific year to qualify himself for one of the guaranteed posts either of class I or class II. But this he has explained was due to his prolonged illness, a circumstance outside his control. The mere fact that he has successfully passed out from the engineering college in the succeeding examination with high percentage in second class will go to confirm that his case deserves sympathetic consideration.

Mr. P.S.KOLWALKAR is working in my office since 1st june 1948. He has a clear grasp ofthe subject he deals with and has been of a great technical help to me in scrutinising some of the major schemes of public Health.

I trust government will kindly consider his application and pass favourable orders.

Public Health Engineer,
to government.

D.A.1application

Below application No. P.S.K/123, dated 14th nov. 1948 from Mr. P.S.KOLWALKAR, regarding appointment to one of the Guaranteed posts in Bombay service of Engineers.

No. G/29 College of Engineering,
Poona 5, 18th november, 1948.

Forwarded with compliments to the secretary to Govt. , P.W.D., BOMBAY.

2. The records of his work in this college and the university results clearly show that mr. P.S.KOLWALKAR has been an outstanding studnet of his batch. He followed up a FIRST CLASS at the F.E. Examination with a first class First at the S.E.CIVIL examination. This earned him the Senior studentship of that year. Were it not for his illness in the final year, he would most assuredly have been in the first class at the Degree examination with every prospect of securing a first place. I had visited him in the hospital during his illness and I know how ill he has been.

3. Mr. Kolwalkar's case is deserving not only of sympathy but every consideration. I have no doubt that he will receive these at the hands of the Govt.

I have made enquiries regarding the character and antecedents of Messrs. S.P.Bhat and V.D.Kulkarni, and it is ascertained that they have not come to adverse notice so far in this District.

Sd/-
District Magistrate.

6775/36
90915

E.B.(I).

Submitted together with serial Nos 64468 & 68125.

2. Mr. P.S.Kolwalkar passed the B.E.(Civil) examn. (new course) from the College of Engrg., Poona, in June 48 with second class Honours & 60% marks. He has represented that he may be considered for one of the guaranteed posts in the B.S.E.Cl. II as he was a first class student throughout his career but could not appear for the Oct. 47 examn. as he had fallen seriously ill. His prolonged illness and his financial conditions rendered him unable to concentrate on his studies with the result that he obtained only a second class at the June 48 examn. Mr. KOLWALKAR has stated that the batch recommended by the P.S.C. for the guaranteed posts are students who hav e scored in the October 47 examn. a percentage as low as 55%. He therefore requests that his claims may be sympathetically considered by Govt. The Principal, college of Engineering, Poona and the P.H.E. to Govt. have recommended the request.

The recommendations of the Bombay P.S.C. for guaranteed apptts. to the B.S.E.Cl. II have already been recd. It may be mentioned that for apptts. to the guaranteed posts preference is given to the candidates passing the B.E.CIVIL in Nov. 1947 under the new rules those passing in June 48 being considered as failures or "droppers". Presumably Mr. Kolwalkar had applied to the P.S.C. for one of the guaranteed posts-but-

was not selected by that body as he was not considered suitable. The presumption may pershaps be confirmed, in the first intsnce, as per draft put up.

3. Recommendations for the guranteed posts in the BSS.E. Cl. II were forwarded by the P.S.C. in April '48. As the upper age limit was however, later raised to 25 years, the P.S.C. was requested to invite fresh applicns., from the candidates for the posts. The P.S.C.'s recommendations in the matter have since been recd. The name of Mr. V.S.Mokashi does not appear in the fresh list of recommendations. Perhaps the P.S.C. may be requested to state the reasons for the omission as per draft put up.

4. The change in address of Mr. D.V.Moraskar has been noted.

5. The receipt of a reply from the collector of poona addressed at/ante, may be awaited. / page 176.

Id: 23-12-48.

The appointments are made through the P.S.C. Mr. Kolwalkar should apply to one of the posts when they are advertised. I do not think we can consider him separately.
As. Mr. Mokashi , the P.S.C. may be addressed to clarify the position.
However P.S.D may be consulted on both points before coming letter. Id: 23-12

Secy.(R&B). Id: 24-12.

CONFIDENTIAL V.URGENT.

CONFIDENTIAL V.URGENT.

U.O.R. to the P.& S.D. dated the 24-12-48.

P. & S.D.Deptt.

A As regards Mr. kolwalkar P.& S.D. may agree with the view expressed by DS. P.W.D. No reference to the P.S.C. in regard to his appointment is necessary but he may be informed as suggested by DS., P.W.D.

2. As regards mr. Mr Mokashi , it is for the Commen whether in the, or not to include him in the last and it is not notified from the point of view of Government whether or not his name is included. Obviously his ommission from the second list is not a case of overright and the P.S.C. has omitted him for some valid reason . In view ofthis and since it is not correct or usual for Government to enquire of the Comm: why a particular individual is not selected. P & S.D. may advise that no reference should be made to the PSC re. Mr. Mokashi also.

Submitted together with serial No. 916, with reference to the G.L.No. 6775/36- XII-E (I), dated the 27th Nov.1948.

2. The P.S.C. was requested to recommend the names of candidates passing the B.E.Examination from the college of engineering, Poona, during the year 47 for four guaranteed vacancies in the E.S.E., class I[I] (three for the year 47 and one for the year 1945 due to the resignation of mr. V.H.DABKE). The list of recommendations in the order of preference forwarded by the P.S.C. for the posts is as follows;

1. Mr. S.P.Bhat.
2. Mr. V.D.Kulkarni.
3. Mr. R.D.Thipsay.
4. mr. D.V.Moraskar.
5. mr. I.K.Modi.
6. Mr. S.G.Athavale.
7. Mr. B.D.Deshmukh.

The statements of particulars in respect of the candidates will be found at pp. 157-169 ante. None of the candidates have come to the adverse notice of Govt.

Attention is invited to para 5 of the o.n. dated the 28th july 47 and para 4 of the D.S.'s note there on . It was considered necy. to recruit at least one Backward class candidate to the cl. II, if available. The P.S.C. was accordingly requested to recommend three names of Backward class candidates, if available and suitable , if none of them was considered good enough to be recommended in the list of absolute merit.

the names recommended by the P.S.C., all belong the advanced class except Messrs. Moraskar and K.Modi who belong to the Intermediate class.

I am told that Mr. Modi also belong to advanced class Id;

It is accordingly for orders whether Messrs. Bhat, kulkarni and Moraskar may be appointed the three vacancies for the year 47 in the B.S.E., Ass II and Mr. Thipsay appointed to the 45 vancy in place of Mr. dabke who was an advanced ass candidate. On receipt of orders, the necessary aft will be put up.

Id:

Messrs. Bhat, kulkarni, Thipsay and moraskar may be appointed to the four vacancies, in the B.S.E. Ass II

Id:

Secy (R & B)
H.M. P.W.D.

E.B.(I). 6975/36/948

P.W.D.

Submitted with reference to the notes recorded at pp. 237-238 ante.

2. The drafts put up may issue, if approved. Circles to which the candidates may be posted for the first year of their period of training may be indicated in para. 1 of the draft.

3. It is presumed that Mr. Thipsay, the third in the order of the comm'n's. preference may be appointed to the 1945 vacancy in place of mr. V.H.DABKE.

Id. 25/2

4 Presumption in para 3 is correct.

5. Regarding the posting of the candidates the following proposals are submitted for approval.

Name of the candidate	I six months	II six months.
1. MR. S.P.BHAT.	Minor irri. organisation -----	E.C.
2. MR. V.D.KUL-KARNI.	P.H.CIRCLE.	S.C.
3. MR. R.D.THIPSAY.	N.G.circle.	D.I.C.
4. MR. D.V.MORASKAR.	S.G.circle.	N.G.cir.

Mr. S.P. Bhat is already working in Dharwar minor irrigation dn. it is therefore proposed that he may be continued in the minor irrigation organisation during the six months so as to cause the least dislocation of the work which he might be already handling. There similarly mr. Kulkarni is proposed to be posted to the P.H.CIRCLE. as he is already

working in the Karnatak sanitary Dn. Dharwar.

Appointments.

Bombay Service of Engineers Class II (1947)

Orders regarding :-

Government of Bombay.

Public Works Department .

Resolution No. 6775/36- XII.

Bombay Castle , 17th March 1949.

Read Government Resolution No. 6775/36, dated the 13th November 1945.

Read Government Letters No. 6775/36, G-E (I), dated the 16th August 1947, 20th January 1948 and 11th May 1948 to the Secretary, Bombay Public Service Commission.

Read Letter No. 374(i)-I/(1), dated the 21st June 1948. from the Secretary, Bombay Public Service Commission.

Read Government Letter No. 6775/36-XII-E(I), dated the 23rd August 1948.

Read letter No. 374(i)/(1), dated the 17th November 1948, from the Secretary , Bombay Public Service Commission.

Resolution. :- In accordance with the guarantee given to the College of Engineering, Poona, for direct appointments to the Bombay Service of Engineers, Class II, Government is pleased to direct that the following Engineering graduates, who passed the Bombay University examination of the degree of - B. E. (Civil) in November 1947, should be appointed , (provided they pass the necessary examination of physical fitness)- as candidates to undergo practical training , in accordance with the orders issued in Government Resolution No. 6525, dated the 29th June ~~1988~~. 1925.These candidates are posted to the Circle shown against each during the first year of their - training :-

Name of the candidate.	Circle to which posted for the first half - year .	For the Second Half Year.
1. Mr. S.P. Bhat.	Minor Irrigation organisation .	Eastern Circles.
2.		

Name of the Candidate.	Circle to which posted	
	For the first half year.	For the Second half year.
2. Mr. V. D. Kulkarni.	Public Health Circle.	Southern Circle.
3. Mr. R. D. Thipasy.	North Gujarat. Circle.	Deccan Irrigation Circle.
4. Mr. D. V. Moraskar.	South Gujarat. Circle.	North Gujarath Circle.

2. Mr. R. D. Thipsay is appointed to the guaranteed post in the Bombay Service of Engineers, Class II, for the year1945. which had fallen vacant because of the resignation of Mr. V. H. Dabke.

3. The four candidates mentioned in paragraph 1 above will be granted a subsistence allowance of Rs. 150/- per mensem each during their first year's period of training, The subsistence allowance will commence from the dates/o the candidates actually report themselves for duty to the superintending - Engineers of circles concerned. Travelling Allowances will also be granted during the period of training as admissible under the Bombay Civil services Rules.

4. The Superintending Engineers under whom the candidates are posted should, at the end of the year's training period report to Government on the progress made by the candidates for in-practical training, and on their general fitness for appointment to the Bombay Service of Engineers, class II, as the case may be. If favourably reported upon by the Superintending Engrs., the candidates will thereafter be appointed Deputy Engineers on probation, otherwise their period of probation, may be extended or their services dispensed with, as may be decided by Government.

By order of the Governor of Bombay.

Public Works Department.
BOMBAY.

571, Shanivar Peth,
Poona 2.
Dated 23rd April 1949.

To

The Secretary to the Government of Bombay,
Public Works Department, Bombay Castle,
Fort - Bombay.

Sir,

Subject: Appointment to the Bombay Service of Engineers Class II, 1947.

Ref. (1) Govt. Endorsement No. 6775/36 XII-B(1) dated 17.3.49.

(ii) Your endorsement No. 6775/36 XII B(1) dated 13.4.49.

I am in receipt of the above quoted letters in respect of which I beg to put the following few lines for your sympathetic consideration.

I passed the B.E.(Civil) Examination - New Course of 3½ years - of the University of Bombay in October 1947. with high second class Honours, stood fifth in rank, and obtained the Mac anwalla Prize in Drawing and Design. I was a student of the College of Engineering Poona.

After passing the same I applied for the Government Guaranteed posts of Deputy Engineers in B.S.E. Class II. I was however, immediately employed in the G.I.P. Railway as a Senior Surveyor (Works)in Executive Engineer's Office, Bhor and Thull Ghats, Lonavla, on a basic pay of Rs.250/- plus all allowances In addition to that there manny other railway facilities such as free quarters, railway passes, and cheaper food grain facilites. I worked in the G.I.P. Railway from December 1947 to Nov. 1948. I resigned the post and was relieved on 5.11.48.

On 6-11-1948, I was appointed as Assistant to Consulting Surveyor to the Government of Bombay in Town Planning and Valuation Department, Central offices, Poon provisionally on a basic pay of Rs 200/- in the scale 200/-10-300 e.b. -15-390 Government was, then moved by Consulting Surveyor to authorise him to give high

upt.

upto Rs. 250/- p.m. to the Junior Assistants according to their qualificationsand experience. On receipt of the requisite orders from the Secretary to the Government H.& L.G. Department, Bombay, I was given a higher starting pay of Rs. 250/-p.m. subject to regular annual increments. My Total emoluments at present are Rs. 445.8.0p.m. The post is at present Temporary but there are good chances of my being absorbed in the regular Department.

In the mean time I was interviewed by the Bombay Public Service Commission, twice in the last year for the Guaranteed Posts of Deputy Engineers. I have finally received the appointment orders after passing the requisite examination of physical fitness. I am asked to report for duties to Superintending Engineer, North Gujarath Circle Ahmadabad.

I will, however, be employed as a 'Candidate' during the first year, with a subsistance allowance of Rs. 150/- p.m. and will then be Deputy Engineer on probation for one year more on a basic pay of Rs. 200/- p.m. Only after two years of training period, I will be confirmed as Deputy Engineer on Rs. 220/-in 220-15-400 e.b. 20-500 e.b. -25-600. I will be thus put to a great financial loss by resigning the present post and accepting the permanent post of Deputy Engineer.

The Selection procedure of Bombay Public Service commission has already taken one and half year after our graduation, and I will have to spend two more years in the training period During this one & Half years in the training period.I have Worked in different capacities both in the railway and in the Town Planning and Valuation Department. I have done Theodolite and Traverse surveys in the mountainous parts of Bhor and Thull Ghats and have worked in the design office, Lonvala.doing designs of new bridges and culverts on the diversion lines which the railway has undertaken. I was also in charge of the Central Concrete Depot of the Railway at Lonvala for a part of the time and have designed and supervised construction of precast R.C.C units such as slabs for bridges and hollow blocks for 'Hitra' type quarters.

As.....

As Assistant to consulting Surveyor to Government, I am doing the road-widening, slum clearance and Town improvement and Town planning schemes of various towns in the Bombay - Province. I have already completed the road widening scheme at Urun-Islampur in Satra Disrtict. I have now taken up the work of 'Masterplan' of Bijapur , where I have camped at present. From the above it will be clear that I have undergone a rigorous period of 1½ year of training in various branches of Civil Engineering & it will be injustice to put me to two years of training from now.

I had applied for the post of Temporary Deputy Engineers and was interviewed on 4-4-1949 by B.P.S.C. where I have put up my views and the Chairmen of the Commission promised to respresent my case to Government. I will also be considered for the temporary posts in which case I have demanded a high -er starting pay of Rs. 250/- p.m. which I am already drawing at present as Assistant to Consulting Surveyor.

I should , Therefore, be appointed as a temporary Deputy Engineer on Rs. 250/-p.m. in B.S.E.Class II or be put to a smaller training period of one year during which I should be considered as Deputy Engineer on probation, and be confirmed after one years training.

Hoping to receive an early favourable reply.

I beg to remain,
Sir,
Yours faithfully,

Sd/-
(R.D.Thipsay)

Copy for information to:

1) Secretary , Bombay Public Service Commission, Bombay, with reference to my interview on 4-4-49 for the post of Temporary Deputy Engineer in B.S.E. Class II . I have to request you to please recommend my case to Government for which I shall remain ever obliged.

Mahim,
BOMBAY.
4th May 1949.

P.W.D.

S.B.(I).

Submitted together with Serial Nos.28259,30334 &30468.

2. Serial Nos. 28259 & 30468. Please see G.L.No. 6775 /36/XII-B(I), dated the 13-4-49. Mr. R.D.Thipsay has been appointed as candidate to the B.S.S. Cl. II in G.N. No. 6775/36 XII, dated the 17-3-49 and posted to the N.C.C. & D.I.C. for the first year of his training. The S.E. N.C.C. has posted him to the A'bad Dn. Mr. Thipsay has however represented that in view of his service in the Railway and Asstt. to the Consulting Surveyor to the Govt. of Bombay Town Planning & Valuation Deptt. Since 6-11-48 he may be appointed as a tempy. Dy. Engr. on Rs. 250/- p.m. or to smaller training period of one year during which he should be considered as a Dy. Engr. on probation. The period of candidateship in the case of some persons like Mr. N.G.Joshi has been waived and they have been appointed Dy. Engrs. on probation straightaway in view of their previous service for a year and more in the S.S.B.Mr. Thipsay is not serving in the S.S.B. and has joined the Town Planning &valuation Deptt. only since the 6.11-48. He does not therefore appear eligible for being appointed Dy. Engr. on probation straightaway however the pt. is for orders.

3. Serial Nos. 30334 & 30643. Pl. see G.L.No. 6775/ 36-XII.B(I) dated the 23-4-49. Mr. Hemadnr has got himself operated and is taking a forthnight's rest after the operation. He requests that he may be re examined in the first week of June. The draft put up may issue, if approved.

Id/-
11-5-49

I do not think that we can accept Mr. Thipsays request to appoint him straightaway as Dy. Engr. on probation and to give him a starting pay of Rs. 250 p.m. Although he has served for some time in Railway and the Town Planning....

planning & Valuation Deptt. he must work as a candidate for one year to acquire the knowledge and training in P.W.D. working. He may be informed accordingly.

(Through proper channel)

Sub:- Appointment of "Candidates" in B.S.E.II vide G.R. No. 6775/36-XII P.W.D. dated 11th March 1949.

Sir,

I wish to put the following few lines for your kind consideration.

I have been appointed as Deputy Engineer in B.S.E II to undergo practical training for one year vide G.R.No. quoted above and posted to North Gujarat Circle for the first six months. I joined duties on 31-5-1949. B.H. at Ahmedabad. I am receiving Rs.150/(one hundred &fifty only) P.M. as Subsistance allowance for the first year, as per pay slip issued by Accountant General,Bombay , in which Dearness allowance is not included. I may mention that the subsistance Allowance is even less than the pay of a B.E.Overseer viz. Rs. 180/- P.M. in addition to which he is entitled to D.A. and other allowances. It can be seen that the Subsistance Allowance of Rs. 150/- is not at all sufficient for even individual maintainance in these days especially in a city like Ahmedabad.

It is understood that Assistant Engineers on probation in B.S.E. I are entitled to Dearness and other allowance during probation & Government has been kind to grant some D.A. to even pension-holders to meet party the increased cost of living.

It .....

It will also be realised that during training, I am doing similiar work in preparation of projects etc & am thus useful in these days of shortage of technical personnal.

I have therefore to request you to consider my case sympathetically and grant me Deerness allowance as per rules, from the date of joining duties.

For this act of kindness, I will be very grateful

Youre faithfully,

Sd/-

6779/38/76623

P. W. D.

E.D.(I)

Candidates in the B.S.S.Cl II are not eligible for dearness allowance, as they are in receipt of subsistence allowance of Rs. 150/- p.m. & not pay . In the circumstances mentioned by Mr. R.D.Thipsay ~~[illegible]~~, in view of the high cost of living .This Deptt perhaps recommend that candidates in the B.S.S.Cl. II may be given the dearness allowance as admissible under the rules if so, the papers will be retd. u.o. to the F.D.

U.O.R.to the F.D.dated 16-12-49.

Finance Department.

Engineering graduates who are offered guaranteed service in the PWD. are appointed as apprentices. In the post revision period they were given subsistence allowance of Rs.100/- p.m.This has now been raised to Rs. 150/-p.m. The post revision rate of Rs. 100/- must have been fixed after full consid.ration of all the facts like cost of living nature of duties and responsibilities etc. No. dearness allowance is allowed to apprentices who receive subsistance allowance during training. In the circumstances if the engineering graduates are given dearness allowance it will have very wide repercussions since other apprentices also may claim similar concession. F.D . may not therefore agree to the P.W.D. proposal. If that Deptt. wants to pursue the question further it may be requested to put up papers relating to fixation of the pre-revision rate of Rs. 100 for the apprentices.

with P.V.D.
file 604-Pt.I.

U.O.R. to the F.D. dated 1-2-50

Finance Department.(X)

Submitted with reference to office note dated 4-1-1950.

2. The orders relating to the fixation of the sustenance allowance of the candidates in the B.E.S. Class II are contained in G.E.P.W.D. No. 604 dated 12.10.1922 The subsistence allowance of Rs. 100 was fixed for the c candidates ad hoc basis.

It appears that candidature of the candidates lasts for one year and then they are appointed on probation for one year. Under Note 4 below Rules 9(16)(a) of the B.C.S.R-s this period of candidature is not covered by the term duty . The amount that the candidate receives is not pay but an allowance which is just sufficient to sustain him. It is similar to stipends which are given to students for under — going training. The students receiving stipends are not granted any dearness allowance.

3. The rate of allowance of the B.E.S.Class II candidates has been increased from Rs. 100 to Rs.150/p.m. in view of the high cost of living. If the candidates in the P.W.D. are given dearness allowance in addition to this increased rate there would be serious repercussions because other candidates may also demand d.a. on the same basis . As the period of candidature is limited to one year only it does not appear necessary to grant dearness allowance to them F.D. may not, therefore, agree to the P.W.D. proposal.
